Bei Auswahl des Montageortes sind die Individuellen Strömungsverhältnisse des Laborabzugs zu berücksichtigen

Lors du choix du lieu de montage, les débits individuels d'extraction du laboratoire sont à prendre en compte.

When choosing a place to fit the air-flow transducer, please take the fume cupboard's particular flow conditions into account

Nella scelta del posto di montaggio si deve tenere conto delle condizioni particolari del flusso di aspirazione dal laboratorio

Para seleccionar el lugar del montaje, observar las condiciones del caudal en la campana extractora

Vid bestämning av montageplatsen måste dragskåpets individuella flödesdata beaktas

Tijdens installatie moet bij de keuze van de lokatie rekening worden gehouden met de individuele stromingsverhoudingen van de laboratoriumontluchting
